

Epic Pharmacy completes sale of aged care business to Aspect Health

January 2021

Epic Pharmacy has completed the sale of their Queensland aged care business to Aspect Health. The aged care pharmacy services located at Greenslopes, Sandgate and Toowoomba have transitioned to the new ownership and joined three existing pharmacies in the Aspect Health group.

The aged care team have left a wonderful legacy not only on Epic but the entire aged care industry. Underpinned by innovation and a focus on their residents and customers, the team have been at the forefront of pharmacy management in the aged care sector for 28 years. Epic Pharmacy wish the aged care team and Aspect Health all the very best for the future.

The succession plan for the Epic hospital pharmacies will recommence in the New Year. A further update will be provided in early 2021.
